# DK DONGSHIN

**PRINPIA**  
 Products printed in various patterns through unique print method after base color coated on the material, and finished with Clear which gives fabulous gloss and weatherability. It could be differentiated from previous products that are more environmentally friendly than PVC Film.

**HAIR LINE**  
 Products with patterns to present peculiar texture of Stainless and finished with transparent Clear for elegant appearance - good on home appliance out cases such as doors of refrigerator.

# PATTERN FOR HOME APPLIANCE

**GALAXY**  
 Environmentally friendly products that substitute previous Galaxy PVC Film - make appliances look more fascinating and sensational with its own sparkling metal particles.

**TWO-TONE**  
 Products that broke the monotony of previous single colored products giving various patterns and colors - create new ideal of home appliances with contrast of two different colors and patterns.

**Pattern series**
